GUEST INFORMATION – MONACO GRAND PRIX 2019

HOTEL CHECK-IN

All hotel rooms are booked in the guest's name as part of the Senate Grand Prix group. To check in you simply need to show your passport at reception. You do not require a voucher or receipt. The hotel will require credit card details to cover any additional expenses or incidental costs incurred during your stay. Breakfast and local taxes are included with all of our hotel rooms.

There will be a welcome pack waiting for you at the hotel detailing further information for the weekend including: ticket collection instructions, any transport or extras you have booked, and all of our contact details.

Check-in is from 15:00 and check-out is by 12:00, unless you have arranged otherwise with us. During this very busy period, some of the hotels may not have all rooms ready for the 15:00 check-in time. We sincerely apologise if you are affected by this and suggest you leave your bags at the hotel and start enjoying yourself until the room becomes available.

Please note: During the racing the track is closed and some of the hotels in Monaco have restricted access:

- **Hotel de Paris** will only be accessible through its side entrance on *Avenue des Beaux-Arts*
- The **Fairmont Hotel** is only accessible via a temporary footbridge which is located next to the Hotel Metropole. Should you arrive when the track is in use, the Fairmont Hotel operates a remote check-in on the *Avenue de Grande Bretagne* located in the estate agents *AFIMs*. The map at the end of this document shows these locations.

RACE VIEWING ACCESS

Caffe Milano: Whilst the track is closed, guests must access Caffe Milano using the tunnel at the end of *Rue Grimaldi*, located by the train station entrance. A Senate Grand Prix hostess will be stood by the entrance of the tunnel from: Thursday 8am, Saturday 9:45am & Sunday 10:15am. If you have trouble finding the tunnel entrance you can call the restaurant on **+377 9350 7721**.

Ermanno Palace: The building is located on *Rue Grimaldi* next to the car garage. Grandstand A is located nearby, so following signs for this will help you find the Ermanno. When the track is in use guests must enter the building from its back entrance. Please check in with our welcome desk here and our hostesses will show you to the suite. The elevators can get very busy during peak times therefore we advise early arrival and if you wish to avoid the queues you may choose to make use of the stairs.

Fairmont Hotel: To access the Fairmont Hotel during the racing schedule, please use the metal foot bridge located next to the Metropole Hotel (see map). You will need a Fairmont access pass to use this bridge. If you do not yet have your pass, please visit the Fairmont's remote check in located before the bridge on *Avenue de Grande Bretagne*. They will have a list of all Senate guests and will provide you with a temporary hotel access pass. When you arrive at the Fairmont Hotel entrance you will be able to check in with the Senate welcome desk and exchange your temporary access passes for your race viewing passes.

Grandstands: The map at the end of this document will show you where your grandstand is located. There are clear signposts throughout Monaco to guide you there.

Hotel de Paris: When the track is in use guests should use the hotel's side entrance, located on *Avenue des Beaux-Arts*. Please tell the hotel security you are with Senate Grand Prix and they will show you to our welcome desk.

Hotel Hermitage: Please use the side entrance of the Hotel Hermitage on *Avenue de l'Hermitage* where our welcome desk is located.

Joel Robuchon Terrace: Please enter the Metropole Hotel and check in with reception where they will guide you to the restaurant. The restaurant will have a guest list confirming your name.

Rascasse: Guests should approach this venue using the security gate on *Avenue du Port*. Following signs for Grandstand V will help guide you to this location as this grandstand is next to Rascasse. After passing the security gate guests should walk behind Grandstand V and up onto *Avenue de la Quarantine*. Please use the footbridge across the track to access Rascasse. When on the footbridge, guests will see signs for the stair access to Rascasse.

Yacht Viewing: Please check-in with the Senate Grand Prix staff located at Moshi Moshi restaurant (32 *Quai Jean-Charles Rey*) in Fontvieille Harbour, opposite Yacht Tender Depart (see map). Venue Opening/Closing Times

Race viewing locations will be open from the first racing of the day until the last race of the day. A full race schedule can be found at the end of this document.

Safety & Security

Safety will be a priority for the Monaco authorities during the Grand Prix period therefore security checks will be in operation. It is advised that guests carry identification with them at all times and allow additional time for any delays this causes. Please keep your pass and lanyard visible around your neck so that you are easily identifiable when watching the race.

Dress Code

The Monaco Grand Prix is generally quite a smart event and guests who make an effort with their attire will fit in well. We want all of our guests to feel comfortable with what they wear so the below suggestions may be considered for certain locations:

- Hotel de Paris, Hotel Hermitage & Metropole Hotel - Smart attire - trousers only
- Fairmont Suites, Ermano Palace, Caffè Milano, Rascasse, Yachts - Smart/Casual - Tailored shorts/jeans or chinos
- Fairmont Roof-top seats and all grandstands - Casual - shorts acceptable

Footwear: Monaco is known for its hills, and with the track closing normal routes around Monaco, a good amount of walking may be required. At race viewing locations you may have to stand for a period of time so please take this into consideration when choosing your footwear. Wedges/smart flat sandals are a popular choice for ladies.

Yacht footwear: Guests are allowed to wear shoes on board our yacht as we have laid a protective carpet. Ladies are advised that if their heels are particularly narrow then they may have to remove them so as not to damage the decks.

Please consider forecasted weather conditions and be prepared with appropriate clothing. This particularly applies to the grandstands, Fairmont roof-top and yachts where shelter is limited.
